

## GREAT COMMONER HERE TOMORROW

Hon. W. J. Bryan Will Arrive at 7:45 O'clock and  
Remain 30 Minutes--Will Speak  
from Car at B. & O. Depot.

Will address the people of Newark and Licking county Wednesday morning at 7:45 o'clock at the Baltimore & Ohio depot, and the indications are that a vast multitude will be in attendance to hear him. Word has been received that Democrats and others are coming from the remotest parts of the county to hear "The Man of the Hour." The special train that will bring the distinguished gentleman to Newark will probably be run on the tracks on the west side of the Baltimore & Ohio depot, in front of the Jackson hotel, and Mr. Bryan will deliver his address from the rear of his special coach. There will be no introduction, no reception committee, and no one will be permitted to board the car.

## DUKE AND AMERICAN BRIDE WILL HAVE ROYAL ESCORT

Rome, Oct. 20.—The Ministry of Marine Tuesday ordered the Italian cruisers *Fiermosa* and *Eurelia* to act as her escort for the Duke of Ambruzzi when he sails from America after his marriage to Miss Katherine Elkins. The action virtually amounts to an official announcement of the

engagement of the Duke and Miss Elkin. It was announced today that the Duke and his bride will sail for Italy on the *Cruiser Europa*, which will be fitted out by the government in royal fashion. It is believed the wedding will take place early in December at the Elkins home in West Virginia.

## RELIEF FOR FIRE SUFFERERS

Detroit, Oct. 20.—Already \$100,000 has been raised in Detroit alone for the benefit of fire sufferers. Five car loads of provisions, clothing, etc., have been sent forward. The total collections in the state are about \$300,000.

## POISONED SANDWICH CAUSES DEATH

Cleveland, Oct. 20.—Two poisoned bread and jelly sandwiches were placed in the entrance of the Lenora building. Margaret Kaufman, twenty-six months of age, ate one of the sandwiches and is dead. Police are working on the case.

## SIX KILLED

When Gale Blew Caboose Filled  
With Laborers Over a Deep  
Embankment.

Lone Wyo., Oct. 20.—Six men were killed and 30 injured, some fatally, when a gale struck a caboose attached to a Union Pacific train and hurled it over an embankment. It was filled with laborers, and they were crushed in the wreckage.

## NIGHT RIDERS KILL ATTORNEYS

Memphis, Oct. 20.—R. Z. Taylor and Quentin Rankin, two prominent lawyers of Trenton, Tenn., were killed by night riders last night near Union City. Gov. Patterson today offered a \$10,000 reward for the capture and conviction of the night riders. Taylor and Rankin have been engaged in litigation in connection with the ownership of Reelfoot Lake and it is not known how they came to be victims of the night riders.

## CABINET IN SESSION MAY DEPOSE TURKISH RULER

Constantinople, Oct. 20.—Suspected of being connected with the growing reactionary movement, the Sultan is today in grave danger of being deposed. The Turkish cabinet is now in session and one of the questions

## WILL RECOMMEND TARIFF REVISION

Duluth, Oct. 20.—After months spent in investigating the pulp wood and print paper industry of Michigan, Wisconsin and Minnesota, the committee of six appointed by congress to make a study of conditions, will recommend that the duty on pulp wood and print paper be revised, so Chairman Mann stated today.

## ROBBED BANK IN BROAD DAYLIGHT

Hurst, Ill., Oct. 20.—Yeggmen raided this place today. Several held citizens at bay with revolvers, while others entered the bank, calmly blew the safe and escaped with \$1500. A posse is after the robber band.

## SUFFERS BAD FALL.

Mr. Edward Kindig, a shop switchman employed at the Baltimore and Ohio shops, had the misfortune to meet with a very painful accident last Saturday night. He was engaged, with a number of other men, in unloading a car of dirt into the ash pit, when he became overbalanced and fell from the top of the car into the pit, a distance of 18 or 20 feet. He was taken to his home where his injuries which consisted of severe bruises about the head, shoulders, back and hip, were attended to by Dr. Wright. At this writing he is resting quite easy and expects to be able to be out again in a few days.

Many a man who boasts that he is the architect of his own fortune must have stood in with the building inspector.

WILLIAM J. BRYAN.

## EMPEROR AND PRESIDENT EXCHANGE GREETINGS

Tokio, Oct. 20.—Admirals Sperry, Schroeder and Emory of the American fleet, and Ambassador O'Brien, were received by the Mikado at the Imperial palace today. Formal greetings between the Mikado and President Roosevelt were exchanged. Both ex-

pressed the wish that the traditional friendship and good will between Japan and the United States should be preserved. After the audience the Emperor presided at a luncheon to the flag officers and captains of the fleet at which many distinguished Japanese soldiers and statesmen were present.

## PRESIDENT TO CONTINUE FIGHT FOR BATTLESHIPS

Washington, Oct. 20.—President Roosevelt has announced to visitors that he will repeat at the coming session of congress his fight of last winter for four battleships and a corresponding number of armored cruisers and torpedo craft. The two battleships voted last winter were entirely insufficient for the proper maintenance of the navy he holds.

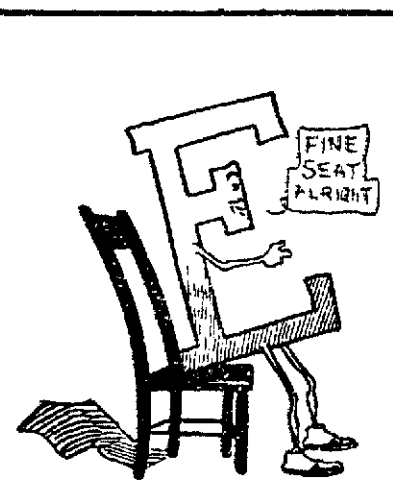

## TYPHOON KILLS THREE THOUSAND

Amoy, Oct. 20.—Nearly three thousand Chinese lost their lives in Thursday's typhoon, according to reports received today.

## WOMAN BURNED TO DEATH.

Cleveland, Oct. 20.—Mrs. Mary Staalk was burned to death when her clothes caught fire in an explosion of kerosene at her kitchen stove Tuesday. Her husband, Lorenzo Staalk, and two men boarders were badly burned in an effort to save her life. All three are in the hospital and may die.

## WHAT IS IT?

What fruit?  
Answer to Monday's puzzle—  
Pecoloo.

## MANILA SHAKEN BY EARTQUAKE

Manila, Oct. 20.—Manila was slightly shaken today by an earthquake. The first shock was felt at 10:50 this morning, the second at 1:50 and the third at 3:10. No damage has been reported.

## BRYAN

Declares His Election is a Certainty  
and That He Will Get 90 Per  
Cent of Labor Vote.

Monon, Ind., Oct. 20.—Bryan invaded Indiana today and is scheduled for 14 speeches before retiring.

At every stop Bryan declared that his election is a certainty. He also declared that the attempts of Republican managers to split the labor vote will fail, and he claims 90 per cent of that vote for himself and his running mate.

## NOW THE NEXT.

Hamden Junction, Oct. 20.—The rare sight of quails flying about the streets of a town was observed at Oak Hill today. The birds invaded the village in a desperate attempt to find water. One bird was flying on a restaurant porch, while another, caught by the cat, true lights, had alighted upon the shoulder of a hotel guest sitting on the rear veranda.

## WETS

### Win Lorain County in Local Option Election

### VERY NARROW MARGIN

### Drys Will Contest Claim- ing That Fraud Was Practiced

### Thirty-Six Majority is Claimed and Official Count Will be Neces- sary to Determine Final Result.

Lorain, Oct. 20.—In one of the hottest fights ever known in Ohio, Lorain county yesterday gave the saloon men a victory of 36 votes in the local option election under the Rose law. It will take the official count to determine the result finally and the anti-saloon workers say they will make a contest, claiming fraud. Last night the wets celebrated in Lorain and Elvira, the two largest cities of the county.

Oberlin and Wellington gave dry majorities, but the townships outside and the city of Lorain gave the wets enough votes to overcome the dry advantage elsewhere. Lorain, where the big shops of the steel trust are located, was the center of the battle, and feeling was so bitter that many fights figured in the day's doings. There are 134 saloons in the county, one brewery and two brewery agencies.

**WETS' CONTEST PUTNAM.**  
Ottawa, Oct. 20.—Suit was filed by 34 taxpayers of Putnam county in the probate court here to contest the local option election held Oct. 13. The result as certified by the deputy state supervisors of elections shows a majority of 21 in favor of the drys.

**GREENE VOTES OCT. 27.**  
Xenia, Oct. 20.—The temperance orator will hold sway in Greene county between now and Oct. 27, the date of the local option election. Nearly 100 meetings in various parts of the county have been arranged by officials of the local branch of the Anti-Saloon league.

**DRY CAMPAIGN BEGUN.**  
Zanesville, Oct. 20.—The local option campaign was formally launched Monday, when temperance speakers addressed meetings in every school

## FELL 100 FEET.

Bellefontaine, Oct. 20.—Darwin and Quincy Adams of Zanesfield, backed a team of horses to the edge of a ravine in a forest. The horses became unmanageable, and together with wagon and boys, fell into the ravine, a distance of 100 feet. The occupants were covered by the wagon, but when rescued were not injured in the slightest.

house and church in the county. A circulation of petitions for an election under the Rose bill was begun simultaneously. It is planned to hold the election about Nov. 20. Forty-five hundred signatures are required.

**SENECA VOTES TODAY.**  
Seneca county will hold a local option election today.

**STRAUSS BROTHERS,  
WHO ARE DIVIDED  
IN THE CAMPAIGN**

New York, Oct. 20.—While Oscar Strauss, secretary of commerce and labor in Mr. Roosevelt's cabinet, is staying in the middle west for Taft, his brother Na-

than is active in the support of Bryan in New York. Nathan Strauss is one of the largest contributors to the Bryan campaign fund. Both are wealthy New York merchants. Nathan Strauss is a philanthropist and has spent millions of dollars in furnishing sterilized milk to the people. The upper picture is Oscar Strauss; the lower one Nathan Strauss.

## WOMAN

### Captures the First Chance in Big Drawing

### THE ROSEBUD PRIZES

### South Dakota School Teacher Gets First Choice

### Over 8,000 Farms of 160 Acres Each Will be Parceled Out to the Lucky Ones.

Dallas, S. D., Oct. 20.—More than 114,000 persons who had registered for the drawing of farms on the rich Rosebud Indian reservation, heard that Miss May A. Helsner, a Kennebuc, S. D., school teacher, had been fortunate enough to secure the first chance. The drawing was held in the big government tent, and about 3000 persons, who had registered, remained until the drawing yesterday to learn the result of their attempt to secure one of the fine Indian farms.

Although most of the successful persons to be included in the first 1000 numbers came from South Dakota, Nebraska and Iowa, there were several from other states, Illinois, Michigan, Wisconsin, Missouri and Kansas being particularly favored.

The drawing was conducted in the best of order. Persons had registered from every state in the union, and most of them returned to their homes to await the result of the drawing. Judge Witten has already placed a force of clerks at work notifying every person who registered of the order in which he came in the selection of lands. There are about 8000 farms of 160 acres each to be parceled out, and with the lapses that usually follow, it is probable that persons drawing numbers below 9000 will have an interest in the reservation.

The first dozen names were drawn as follows: 1, May A. Helsner, Kennebuc, S. D.; 2, Peter Swift, Ponca, Neb.; 3, E. Hannen, Meadow Grove, Neb.; 4, Otto Schneider, Mitchell, S. D.; 5, Jacob Eckert, Wichita, Kan.; 6, Samuel Anderson, Albert City, Ia.; 7, Hobart A. Anderson, Mount Vernon, S. D.; 8, H. B. Clark, Girard, Kan.; 9, Charles T. Johnson, Decatur, Ill.; 10, Wilbert W. Schulz, Lamar, Ia.; 11, Emil N. Ladburg, Stromsburg, Neb.; 12, George Schroder, Omaha, Neb.

## ROOSEVELT

Has Signed Contract and Will Act as  
Associate Editor of Outlook  
After March Next.

New York, Oct. 20.—President Roosevelt has signed a contract with The Outlook to act as associate editor after his retirement from the presidency in March next. This is made subject to the existing contract to write the story of his African travels for Charles Scribner's Sons. His work in connection with The Outlook is to cover political and economic topics.

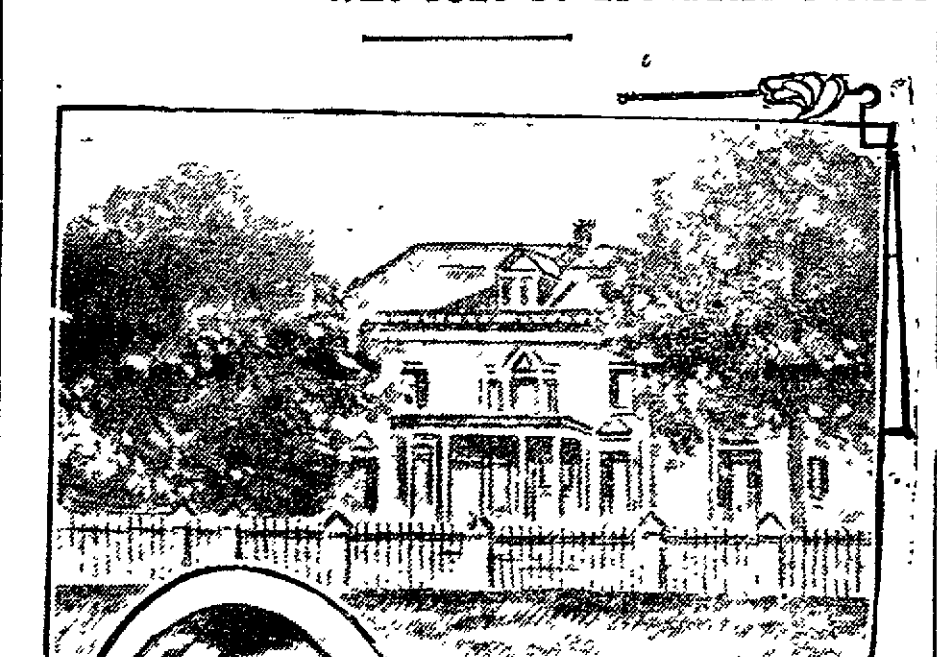

## BOY SHOT

By Revolver While Chesnutting Satur-  
day Afternoon—Bullet Pierced  
Arm Above Elbow.

While northeast of the city Saturday afternoon with several other boys hunting chestnuts, McKinley Burkett, son of Mr. and Mrs. Christopher Burkett, North First street, was shot through the right arm and slightly injured. The boys were in a tree when a pistol shot rang out some distance away, and Burkett, grabbing his arm, cried, "I'm shot."

He was brought to the city and Dr. D. M. Smith called to attend him. The bullet, from a .35-caliber revolver, entered his arm just above the elbow, and it was necessary to probe to remove the bit of lead. The wound showed that the bullet must have come from some distance, for it had almost spent itself when the boy was struck.

## BROTHER OF LEWIS S. CHANLER, WHO SUES TO ESTABLISH SANITY

Amelia Rives and a brother of Lewis Stevenson Chanler, Democratic nominee for governor of New York, are suing in Charlottesville, Va., to establish his sanity prior to his appointment as New York asylum from which he escaped, and to recover his estate of \$100,000. The defendant is Thomas T. Seaman, his committee of estate under the New York law. Chanler changed his name to avoid proceedings in North Carolina. The case is one of the most remarkable on record. He declares that after he escaped from the New York asylum, Stanford White, Harry Elmer Fawcett visited his home in Virginia and invited him to New York where he offered him a place in his office. Chanler's character of John Deering in Amelie Rives' novel "The Quick and the Dead" is said to be a study of Chanler.

## DOINGS AT GRANVILLE

COMPLIMENT TO JUDGE BRISTER, CANDIDATE FOR PROBATE JUDGE.

Denison Classes Will Be Suspended Wednesday Morning in Order Students May Hear Bryan.

Granville, O., Oct. 20.—It certainly should not be necessary to suggest to any Democrat in Granville to vote for E. M. P. Brister for Probate Judge, for every member of the Democratic party in Granville, and also the Republican party, knows Judge Brister. The older residents knew the Judge when he was struggling through Denison and the younger ones know him, too. Everyone in Granville, the students included, should vote for Judge Brister. Denison has never had a more loyal man than the Judge. Your correspondent has known him for many years and believes no reason can, or could, be given for not supporting him except it be a political one, and in his case competency should outweigh politics and Republicans should therefore join with Democrats in making his election sure and certain. The Probate court is a strictly legal office, and no one but a lawyer, and a good one, too, could properly fill it. Judge Brister is a lawyer of 23 years' standing and practice and has always given perfect satisfaction. The pleasing announcement was made in chapel Monday that classes would be suspended Wednesday morning in order to allow all students who may desire to do so, to go to Newark Wednesday morning and hear the Hon. Wm. Jen-

ning Bryan, the Democratic candidate for president, who is to speak at the B. & O. depot at 7:45 o'clock. The indications are that a large number of enthusiastic Democrats of the village and vicinity, in addition to the students will go to Newark on the early morning train. Special cars will be provided and the ladies and the Harmon club will be out in force with bells on. About 300 students will attend and citizens will ask for special cars also.

According to the time honored custom of the Seniors of Denison university the accompanying rules have been passed out to the members of the under classes. "The Senior Bench is for the exclusive use of the Seniors and Alumni."

"Departure from chapel shall be according to class rank, beginning with the Faculty and Seniors."

"There shall be no smoking near or at the entrances to any of the buildings on the hill."

"It shall be the duty and privilege of each and every Freshman to doff his hat to members of the Faculty."

"Due courtesy shall be accorded the upper class men at all times by the Freshmen."

Considerable interest is being taken by the students of Denison university in the International Bible Study Conference, which is to be held in Columbus from Thursday of this week until Sunday. Denison will send 13 delegates to the conference. Many prominent speakers are to be present at the conference, including Booker T. Washington, John R. Mott and others.

Interest in those who have a leaning toward Socialism among the students of Denison university was heightened by the visit to Newark Monday night of Eugene V. Debs, the Socialist candidate for president. Quite a number of the members of the Denison Socialist club journeyed to Newark to see and hear the apostle.

Mrs. Nanette B. Paul, LL. B., of Washington, D. C., will lecture in Recital Hall on Friday evening at 7:30.

at 6 o'clock on "Parliamentary Law." While the lecture is to be given primarily for the literary societies of the college, it will be interesting to all who attend it. Mrs. Paul is an instructor of parliamentary law in the Washington College of Law, and is the author of a celebrated book entitled "Parliamentary Law." She is said to have rendered exceptionally fine service as referee of parliamentary law in Congress.

There is nothing to cavil at in these long, bright days, when summer frocks are still comfortable, and tea in the garden on a carpet of golden leaves is quite possible in the afternoons. Long drives are what most people are enjoying now, taking advantage of the glorious days that are the "last best gift" of the departing summer. Time enough to turn our thoughts to social dogmas when the weather turns colder and forces us to turn indoors for our pleasures.

Mr. and Mrs. Spencer of Dayton, Ohio, are visiting their daughter, Mrs. Rohrer here for a few days.

On Monday morning in chapel Dr. Leonard, a trustee of the university, delivered a short talk on the "Ten Virgins," urging the students to lay in store for the future while they have an opportunity. Dr. Eubank also participated in the chapel exercises and the students were glad to receive him as usual.

For Sore Feet.

"I have found Bucklen's Arnica Salve to be the proper thing to use for sore feet, as well as for healing burns, sores, cuts and all manner of abrasions. He is the greatest of obstacles to the people's government of themselves. Could he have been present at the Creation, he would have fought against the destruction of chaos."

Speaking of chaos, a fellow the other day was heard to call it "shay-oo."

The new little shaver at Barber A.

Collier's, the National Weekly, has a forceful way of saying things. For example, referring to Uncle Joe Cannon's 18th century methods, Collier's says: "He (Cannon) is harmful and obstructive. He is the greatest of obstacles to the people's government of themselves. Could he have been present at the Creation, he would have fought against the destruction of chaos."

## THIS AND THAT

Kirkersville village will have the title of its life next Saturday. Music by a band of 50 pieces, monument unveiling, base ball, big free dinner, good speeches, etc., at the Home Coming. Everybody invited.

The Presidential election comes two weeks from today.

Newark has over 7,000 voters as shown by the registration lists just completed. These figures prove conclusively that the old town has been growing some the past few years. It means a population of over 30,000.

The first number of the high school lecture course will be given this week (October 21) in the new high school auditorium by the Gernain company.

The opening of this splendid new hall with a seating capacity of over 1,000 should be made an event of the season. The entire course is strong and well worth the small price asked for the season tickets.

Collier's, the National Weekly, has a forceful way of saying things. For example, referring to Uncle Joe Cannon's 18th century methods, Collier's says: "He (Cannon) is harmful and obstructive. He is the greatest of obstacles to the people's government of themselves. Could he have been present at the Creation, he would have fought against the destruction of chaos."

P. Tencher's home has been named The eldest Tencher boy's name is Willard. No. 2 is Curtis and the last is Rank. All three are named in honor of Dr. W. C. Rank.

"Feed a cold and starve a fever" is an old time saying but a well known Newark doctor says it is rarely correctly interpreted. The medical man says: "Feed a cold and you'll have a fever to starve." In other words he advises one suffering from a cold to eat little.

"Where are you going, mama?" asked a little tot last night as mother was starting away. "To the Auditorium," was the reply. Mother thought that sounded better than to have answered by naming the attraction.

Tomorrow morning William J. Bryan will speak for 30 minutes in Newark at the B. & O. station. It will give many their first opportunity of hearing the Democratic leader. He spoke briefly here a few weeks ago but the stop at that time was too short for a discussion of the campaign issues.

## SHE WAS A PEACH.

There is a girl lives in Kankakee, and she can come and keep house for me—thus spoke a youth in Cambridge town, and he was not noted for any clown. But he said that this girl knew how to cook, and she didn't learn it from a book; she could wash and sew and kept things fine—used Spartan Stain to make wood shine. Spartan Stain is the greatest Varnish Stain on earth for old floors, and woodwork. Manufactured by The Marietta Paint and Color Co., Marietta, Ohio. Sold by Newark Paint Co., 31 West Church street.

## LECTURE TONIGHT AT TAYLOR HALL

Dr. J. N. McCormack will lecture at Taylor Hall this evening for the benefit of the general public and no admission will be charged. The lecture will be of great benefit and everybody who can possibly do so should hear it.

The doctor will speak along health lines and will describe local conditions, a subject which should interest thousands of parents in Newark.

## MODERN

Enoch Arden Wasn't As Polite as the One of Tradition, and Drew a Jail Sentence.

Charles Spence is no Enoch Arden though in a way there is some resemblance in the two cases, the one of tradition and on the one of fact. Charles was in police court Tuesday and his story highly amused the police court attendants.

In the first place he tanked up and then went to 52 Webb street where his divorced wife, now happily married, lived. He intended to make a call on another person, but somehow he and his erstwhile wife "got into the rags," and Charles ran athwart of Officer McClure who gathered him in for raising a disturbance and not being as polite as Enoch Arden should be. When his case was called in police court this morning the mayor dished up twenty days in jail for Charles to think about.

## Coughed all Night

We hear that complaint frequently from those who never used Dr. Black's Cough Syrup. Every year we sell more of it than the preceding one, and every winter we have customers tell us they rely on Dr. Black's Cough Syrup. It contains just those medicines that will soothe and heal the bronchial passages when inflamed.

TRY GOODHAIR SOAP FOR SKIN DISEASES.

## Sour Stomach

"I used Cascarets and feel like a new man. I have been a sufferer from dyspepsia and sour stomach for the last two years. I have been taking medicine and other drugs, but could find no relief only for a short time. I will recommend Cascarets to my friends as the only thing for indigestion and sour stomach and to keep the bowels in good condition. They are very nice to eat."

D. A. R. Meeting.

The Daughters of the American Revolution will meet Thursday afternoon with Mrs. S. C. Priest at two o'clock. Reports of the state convention will be given.

Mansfield Registration.

The registration of the city of Mansfield shows a total of 5,296, and this multiplied by four and four-ninths, shows that they have a population of 23,538, or 7582 less than Newark.

Corn Growers' Notice.

The first state corn show and annual meeting of the Ohio Corn Improvement association will be held at Townsend hall, Columbus, Nov. 23, 24 and 25. Licking county corn growers are urged to make the show a success by sending exhibits of corn. Former Newark Resident.

Mrs. Sarah Barrick Walker, who is writing a series of New York letters for the Advocate, has resigned her position on the Designer to accept a better one on the New York Herald. Mrs. Walker's work will be on the Sunday magazine section of the Herald.

Will Visit Industrial School.

Judge E. M. P. Brister and Probation Officer Mrs. Mary Swan and the Board of Licking County Visitors, on invitation of Superintendent Dye of the Girls' Industrial School, at Delaware, will visit that institution on Wednesday. Judge Brister will deliver an address to the inmates.

A Petit Larceny Drunk.

Fran K'Search felt a heap much desire for some fire water yesterday, and as his finances were in a much depleted condition, he raided the gas fixtures in the house until he got enough together to make a respectable showing in the booze game. Officer Moore locked him up and he had his hearing in police court this morning.

Business Firms Will Move.

The Newark Natural Gas and Fuel company has rented one of the rooms in the Hamilton-Bader block that is being erected on West Main street, and will move into their new quarters as soon as the building is completed. The Kemper Scott Furniture company will move from its present location in the Florantina building.

## DOING THEIR DUTY.

Scores of Newark Readers are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty.

When they fail to do this the kidneys are sick.

Backache and many kidney ills follow.

Urinary trouble, diabetes.

Doan's Kidney Pills cure them all. Newark people endorse our claim.

Harley Speaks, 233 Boylston avenue, Newark, Ohio, says: "I was considerably annoyed from rheumatism and acute pains across my loins that made every movement painful. My kidneys also caused me much trouble being too frequent in action and though I used various remedies, I obtained only slight relief. Finally Doan's Kidney Pills were brought to my attention. I procured a box at Clayton's drug store and the pains in my back disappeared, my kidneys were invigorated and I felt much better in every way. I have had no return of the trouble since and I am always glad to endorse Doan's Kidney Pills whenever an opportunity presents itself."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. 57

## Dinner Tomorrow.

The Plymouth Congregational church will give a chicken dinner tomorrow at noon. 25 cents.

## "STAR BRAND SHOES ARE BETTER."

STEPHAN'S DEPT. STORE.

## Excellent Health Advice.

Mrs. M. M. Davidson, of No. 379 Gifford Ave., St. Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at F. D. Hall's drug store. 50c.

## Potatoes

Now is the time to lay in all the Potatoes you are likely to need until Spring.

In lots of 5 bushels and upwards, I will sell you

No. 1 stock at 80c

No. 2 stock at 70c

In smaller lots they will be same as before. Subject to change without notice.

## OYSTERS.

I am receiving Oysters regularly, and all in SANITARY packages. Ice packed around the cans. Instead of in with the oysters. This retains the regular oyster flavor, and if you buy of me you will have them in no other way.

PEACHES.

I thought they were all over for this year, but found a fresh lot of Lemon Frees and nice, large, high colored Clings.

REMEMBER

That we keep everything on the inside of the store and you will get just what you buy. You will understand what I mean by that, for I made it clear to you in my former ads.

I want your trade and you will find it to your interest to deal with me.

Cliff L. Sturgeon

Building, 11 S. Wallis & Son, Western  
Representatives.

Governor Harris failed to go home to vote in his own town at the "wet" and "dry" election, though he had no excuse to offer for dodging. Harris also ran away from Columbus when the Governors of two other states came there to make speeches in behalf of temperance. And this is the same Governor Harris who is now trying to raise a temperance issue of his own for the purpose of cajoling votes from temperance Democrats.

County local option is an established fact. It is an act of the legislature and the people in the counties can settle it for themselves regardless of whether they are Democrats or Republicans. The great question to be determined in Ohio by this election is, whether graft and scandal shall continue to flourish or whether there shall be a change at the state house as advised by a score of Republican papers in Ohio? That change can be accomplished only by the election of Judson Harmon for governor, and the candidates for other state offices and the Legislature on the ticket with him.

## "MIGHTY POOR POLITICS"

Said Governor Harris of Judge Taft's Akron Speech, Three Years Ago.

After Secretary Taft's famous speech at Akron three years ago in which he denounced the same Cox with whom he is engaged in "common enterprise" this year, Governor Herrick, the Republican candidate for governor, Andrew L. Harris, the Republican candidate for lieutenant governor, Senator Dick, who was managing the campaign and other prominent Republicans were interviewed to ascertain their opinion of Mr. Taft's speech. Neither Governor Herrick nor Senator Dick would commit themselves nor even discuss the subject. But Harris declared that Taft's attack upon Cox in his Akron speech was "mighty poor politics." He must have been of the same opinion when he declared after the election that "it was a disgrace to Ohio to defeat Governor Herrick."

On his recent trip through Ohio, Judge Taft made a "prosperity" speech at one point to 2,000 men who had been out of employment for a number of months. The Judge saw the mistake afterward and blamed the local candidate for Congress for not telling him about the situation so that he could have made a different speech. The effect of Taft's mistake will be that the majority of those 2,000 idle men will vote for Bryan.

Governor Harris has as yet given no reply to Judson Harmon's query whether or not the fact that he held stock in a couple of banks in which the state's money was deposited at low rates of interest had anything to do with influencing him in keeping hands off when the senate committee pointed out to him the irregularities which were being practiced by the auditor and treasurer of state.

The Zanesville Labor Journal strongly insists that the stand taken by Mr. Gompers is the only logical one, and that the great mass of laboring men can take no other position than the one occupied by Mr. Gompers, with honor to themselves. This seems to be the position taken by labor journals and union labor generally.

When fortune smiles on a man he can afford to laugh and growl. Nine men are ready to believe a lie where one will believe the truth.

# DON'T LOSE YOUR VOTE FOR BRYAN

## BE CAREFUL ABOUT MARKING YOUR BALLOT

There are only two ways to cast your vote for Bryan so it will count.

THE SURE AND SAFE WAY is to put the X-mark in the CIRCLE UNDER THE ROOSTER.

The other way, WHICH IS MORE DIFFICULT AND UNCERTAIN, is to put an X-mark in the square at the left of each of the 23 presidential electors on the Democratic ticket under the rooster.

Mr. Bryan's name will be on the ballot at the head of the Democratic ticket, but there is no blank square opposite his name because we do not vote direct for president. We select 23 presidential electors in Ohio to cast the vote for Ohio.

AN X-MARK OPPOSITE THE NAME OF MR. BRYAN WILL COUNT FOR NOBODY, AND THE VOTER WHO MARKS HIS TICKET THAT WAY WILL LOSE HIS VOTE.

An X-mark opposite the name only of the first presidential elector will count ONLY FOR THAT ONE ELECTOR and not for the other 22 electors. The voter who makes that mistake will cast only one-twentythird part of a vote. THIS MISTAKE WAS MADE IN 1892 WHEN ONLY ONE DEMOCRATIC ELECTOR WAS CHOSEN, whereas all the Democratic electors would have been chosen that year if the voters had marked their ballots correctly.

MAKE NO MISTAKE THIS YEAR. Take the safest plan and MARK IN THE CIRCLE UNDER THE ROOSTER. If you don't do that you must mark every one of the 23 presidential electors on the Democratic ticket, which takes 23 X-marks.

THE REPUBLICAN VOTER, or member of any other party, WHO WANTS TO VOTE FOR BRYAN, will find it safer to put the X-mark in the circle under the rooster, and then mark for the candidates on his state and county ticket for whom he desires to vote.

THE BALLOT WILL BE SO BIG THIS YEAR THAT MISTAKES WILL BE EASILY MADE.

TAKE NO CHANCES. MAKE YOUR VOTE FOR BRYAN SAFE by marking in the circle under the rooster, and then mark for candidates on the state and county ticket according to your choice.

# HOW TAFT SPENT SUNDAY

While Mr. Taft has shown sufficient respect for Sunday to refrain from making political speeches, he did not scruple to spend almost the entire day of Sunday, October 18, in political conference to discuss campaign plans and prospects. With whom? With President Roosevelt who dictated the nomination of Mr. Taft to be his successor.

At the beginning of the campaign Mr. Taft went to the President to submit his speech of acceptance for approval before delivering it to the notification committee.

Now, nearing the close of the campaign, Mr. Taft goes to the President again for advice and instruction, giving up almost the entire day to political conference, except the short time which he and the President spent at church.

Here are some extracts from Washington dispatches showing how Mr. Taft spent Sunday with the President in Washington:

"The Secretary found in his stop here a convenient opportunity for consultation with the President. HIS SPECIAL CHAMPION AND CHIEF ADVISER, and that both were pleased with the arrangement and made the most of it was made evident by the fact that they spent practically the entire day in company of each other and for the most part with others excluded."

Also: "It is known that they discussed, although in a purely informal way, most of the subjects that have come to the front since the campaign opened, and that THE PRESIDENT OFFERED SOME SUGGESTIONS ON minor points WHICH THE SECRETARY WILL PROBABLY ADOPT."

Also: "It was the evident intention of the President to take advantage of the occasion to emphasize to the country his interest. PERSONAL AND POLITICAL, in Mr. Taft, AND HE UTILIZED ALL THE TIME AT HIS disposal."

## Blood Humors

Commonly cause pimples, boils, hives, eczema or salt rheum, or some other form of eruption; but sometimes they exist in the system, induced by toxins of weakness, languor, loss of appetite, or general debility, without causing any breaking out.

Hood's Sarsaparilla expels them, renovates, strengthens and tones the whole system. Thousands of testimonials of thousands annually. Accept no substitute, but insist on having

Hood's Sarsaparilla

It is used in liquid form or in chocolate tablets known as Sarsatabs. 100 doses \$1.

DISPOSAL TO THIS END Not only was the Secretary invited to breakfast, luncheon and dinner, but he was taken into the White House as if it were his own home, and in addition Mr. Roosevelt remained away from his own church in order to accompany Mr. Taft to his church. He also took him for a stroll after the service and then crowned the day by asking in a number of political and personal friends to meet the Secretary and GO OVER THE SITUATION."

Also: "For almost two hours after breakfast Mr. Taft and the President were able to confer. They CAREFULLY DISCUSSED CAMPAIGN MATTERS THOROUGHLY, GOING OVER THE ENTIRE SITUATION, each expressing his views unreservedly. The President and Judge Taft attended divine service at All Souls Unitarian church. Arriving on foot five minutes in advance of the opening of the service, they passed quietly through the crowd which had congregated on the outside and took seats together in the body of the church edifice. The sermon was preached by Dr. U. S. G. Pierce, pastor of the church, but it contained no reference, whatever, to either of the two distinguished auditors. At the close of the service the congregation remained seated long enough to permit the President and Mr. Taft to pass out. They did not stop to greet anyone but immediately started on a brisk stroll back to the White House."

Among those who conferred with Mr. Taft during the day at the White House were Senator Knox, Secretary

PAZO OINTMENT

Root, Secretary Garfield, John Hays Hammond, president of the National League of Republican clubs, former Attorney General Moody, who is now a supreme judge, and others, but most of the day, as the dispatch show, was spent by Mr. Taft in private consultation with the President who dictated his nomination. Mr. Taft remained at the White House until near midnight when he resumed his campaign tour, going direct to New Jersey.

## WALTER A. ALSDORF.

Mr. Walter A. Alsdorf, the Democratic candidate for Senator in this district, composed of the counties of Delaware, Licking, Muskingum and Perry, is making a highly successful campaign and is meeting with great favor from the people, indicating his election by a large vote.

Walter A. Alsdorf was born in Utica, this county, on June 18, 1866, and is therefore 42 years of age. He lived at home until he was 17 years old, attending the public schools at Utica. He then attended Wooster University for one and a half years. Returning to Utica he remained at his home there two or three years, when he went to Sioux City, Iowa, where for some time he was engaged

in the lumber business, his territory covering a large part of the northwest. In 1891 he spent the winter in Lincoln, Neb., where he had the good fortune to become acquainted with the Hon. W. J. Bryan, the standard bearer of the Democracy. In 1893 he went to New York City, where he was located for five years, being vice president of the Hudson River Stone Supply company. He was also one of the directors of the New York Steam company. In 1898 he returned to Johnstown and has resided between that place and Centerburg ever since.

At present Mr. Alsdorf is engaged in the hay, grain and general elevator business with a number of others, and they have elevators at Johnstown, Croton and Centerburg, doing an extensive business.

Mr. Alsdorf is also quite a prominent fraternal man, being a member of Newark lodge, No. 97 F. & A. M., the Knights of Pythias lodge of Johnstown and of the Newark Lodge of Elks.

He is a man well versed in public affairs, has devoted much time and thought to the important question of taxation and is in every way well fitted for the responsible duties devolving upon a State Senator.

His business abilities will enable him to be a highly useful member in the coming legislative session in the further investigation of the scandals in the state house, which will be an imperative demand by people of all parties in our state.

## CONTRIBUTIONS FOR CAMPAIGN

The Advocate will receive dollar contributions for the Democratic national committee. Contributions of \$1 may be sent to this office.

## BOYS' ELECTION

MASS MEETING AT TAYLOR HALL  
NON-PARTISAN IN CHARACTER  
THURSDAY NIGHT.

Different Precincts Where the Boys Will Vote—Michael Sachs to Instruct Judges and Clerks.

On this coming Thursday at 7:30 there will be a mass meeting in Taylor Hall, non-partisan in its nature, and instructive to the boys in regard as to how to vote. Not only will there be several good talks on the different issues, etc., but the program will be interwoven with moving pictures, and after the meeting there will be something doing that will be quite a surprise to everybody, so boys, if you don't want to miss the greatest time of your life, be sure and come.

We have been asked where the different booths are and where the boys of certain precincts will vote. Clip this list out and paste it in your hat, so you can give information to any other boy that may not see it:

Boys living in Precincts A, B, C, D and E of the First ward will vote at the East Newark fire department.

Boys living in Precincts A, E and F of the Second ward will vote at the voting house, corner of Second and East Main streets.

Boys living in Precincts B, C and D of the Second ward will vote at Foos' feed store, Fifth and Main streets.

Boys living in the Third ward, Precincts A and B, will vote at corner Flory avenue and Locust street.

Boys living in Precincts C, D and E of the Third ward will vote at 348 West Main street.

Boys living in Precincts C, D and E of the Fourth ward will vote at the corner of Clinton and Oak.

Boys living in Precincts A and B of the Fourth ward will vote at the corner of Fifth and High streets.

The board of elections will hold forth in the Y. M. C. A., where they will be glad to give any information from now on until the election.

The boys who have been appointed as judges and clerks will meet next Friday afternoon in Taylor Hall, where Mr. Michael Sachs, the chairman of the city board of elections, will address them along the line of their duties at the booths, so be every judge and clerk be present without fail, as it is important that they should receive these instructions.

# HON. W. J. BRYAN

Democratic Candidate For President

WILL SPEAK IN

# NEWARK

Wednesday Morning,

October 21, at 7:45 O'clock

AT THE B. & O. STATION

WILL SPEAK FOR THIRTY MINUTES

There will be no introduction, no reception committee or boarding the car.

Turn out and hear the issues of the day discussed in an able, forceful manner by one of the greatest orators the world has ever known.

## AMUSEMENTS

### "THE DEVIL."

In the English dramatized version of Franz Molnar's creation, "The Devil," the dramatists have given us a really wonderful work—sensational in the extreme. The dramatization of the story has caused the author's manuscript to be interlined and interlined again, and in many places substituted lines have the desired effect of giving the story a smack of Americanism of the twentieth century type.

If there were prudes in Monday night's audience at the Auditorium theater they retained their composure and so forgot their prudishness that they joined in loud appreciation of the very clever production.

Is "The Devil" a piece that one would wish his sister, mother, wife or sweetheart to witness? In other words: Is it immoral? Yes, at first thought, one would say so, most emphatically. For, is not the love of the artist and Olga, his friend's wife, an unholy love, simply because of the fact that Olga is the wife of another? Then, again, there are direct sentences throughout the lines, the meaning of which cannot be mistaken, sentences which appeal directly to the passions and act for their undoing.

But, comes the other side of the subject, calling attention to the fact that with the devil personified and woven into the mesh of the story, elimination of such direct suggestions would be impossible, retaining the import of the Evil One's presence.

Then, taking the bare, basic plot, we must admit that, unfortunately as

it is, the idea of an unholy love, and weakness overcoming the higher motive of a holy love, a lawful love, a moral love, is indeed too true to life. It is so true that we shudder, almost, at the audacity of an author in putting such thoughts before us in direct action. But the presence in the play of the personified Devil relieves some of the tension of the situation.

But, leaving aside the discussion of morality of the dramatization and of the author's original version, the translation of which is being read with interest in this paper by hundreds, and the final installments of which are now appearing, let us discuss the merits of last night's production here.

The idea of a Devil in real life assuming a character role—that of a happy-go-lucky sort of a scoundrel of the world—is indeed a good one. All through the work one can readily grasp the author's idea: That the evil is in the minds of the guilty lovers and not in the Devil himself, in the guise of an enemy of conscience. Too much cannot be said in praise of the originality of the idea.

Mr. Joseph Kilgour's impersonation of the Evil One carries with it the exactly proper gestures, facial expressions and reading of lines, for the fulfillment of the requirements. His human way, his devilish cynicism, his ready repartee, form a complete harmony of "Dr. Miller" and the Devil. In theatrical parlance, "The Devil," as seen here last night, is a one-man show, although great and many were the opportunities in the character of the artist, Karl Mahler, which were let go gliding past him out of his reach by Mr. Frank Dekum, to whom was assigned the role. Once or twice Mr. Dekum took advantage, slightly, of his opportunities, but immediately after

he would lapse into the lifeless, automatic artist that he was, rather than the vivacious, impassioned man that he should have been.

Miss Phillips Sherwood as Elsa Berg, to whom Olga had planned to marry Karl, was very clever in her role and has a pleasing appearance which cannot soon be forgotten, and which is combined with rare talent.

Esther Lyon, in the role of Olga, the banker's wife, and at once the artist's lover, awoke to the situation, suddenly, about the middle of the second act, and carried her part through very well indeed throughout the remainder of the piece.

The staging of the production was very good. Some of the effects were truly great. Particularly tense was the scene in the first act, where the Devil joins the hands of the two lovers and significantly points them in their way, his way, and the way that they ultimately go, deserting the husband and the lawful love for the rekindled passion of younger days. The Devil uses these fascinating words in reply to Olga's vindication of Karl when he is accused of sinning against her, the Devil, of evil thoughts:

"It's not a base thought; it's a great thought—a thought that brings joy and warmth and life into your wretched little lives. But joy has its price—and you must pay it, you know! The drunkard dies of drink, but while he is drunk, angels in Heaven sing to him. The poet dies in the ecstasy of his sweetest song. It is a coward's bravery that turns away from the wine, the song—and the lips of women. The smallest candle-end shows you it is worth while to burn up for the sake of a little warmth—a little light. The only end of life is to burn—to burn yourself up—you must flame and blaze like a torch and toss the fire about you. I know; your moralists tell you to love one another—don't believe them—your grubby little earth with its paltry million years is not ripe for such a love as that. It can only breed monks, madmen, Methodists. Don't be a fool—be a rogue—be a jolly rogue—and the world is yours! Look at me! I own the earth—here is the key of life—love yourself—only yourself. Dress yourself in the softest garments—kiss the sweetest lips—drink of the wine of life. Don't try to be sober—get drunk! Drunk! As drunk as possible!"

The play is so fascinating in theme that one could take hours in discussing its many faults and virtues. Suffice to say, it was enjoyable throughout as a complete sensation.

B. B. H.

### THE MAN OF THE HOUR.

Messrs. Wm. A. Brady and Joseph Grismer will present their great New York and Chicago success, "The Man of the Hour," for the first time in this city, Oct. 21, matinee and night, at the Auditorium theater.

"The Man of the Hour" is the play by Mr. George Broadhurst that has set the press and public—the entire community—to talking. It is an American play, pure and simple, dealing with a question now uppermost in the minds of the people, of the entire country as to the rights and wrong of the granting of franchises by those in power. Its representation of the workings of machine politics is most realistic and true. It is a play for all classes. There are two pretty little love stories deftly interwoven, which add much heart interest and make the play a most delightful one.

The company and production are all that could be asked for.

### THE NIGHT OF THE PLAY.

If you want to laugh as you have never laughed before, journey to the Auditorium theater Thursday night, Oct. 22, and see the charming Kathryn Osterman and her clever company in "The Night of the Play." Of course you have seen some very excellent comedies exploited by some clever people, but none like the "Night." This is a veritable inciter of acute "laughitis," attacks of which, physicians declare to a unit, are highly satisfactory to all sizes, ages and conditions of humanity.

"The Night of the Play" is from the German, by Augustin Daly, and is said to be one of the most delightful entertainments ever given. Miss Osterman's genius will surely create a furor when shown in this city.

### AT THE ORPHAN.

The mirror dance performed by Martini at the Orphan is the big act of the bill. The feature of the turn is the ingenious arrangement of mirrors to throw beautiful colors on elaborate, flowing dancing gowns. The act is a very pretty one and is cleverly designed.

Besides this act there were only two others at the opening matinee Monday. A single act that had been secured for the week, cancelled, but will be substituted. The other two acts, both singing and talking acts, are fairly pleasing. Both introduce some new "gags" and one or two new songs. Mr. Moore's illustrated hit this week is "When the Moon Plays Peek-a-Boo." He does it excellently. The films are all on "Monte Cristo."

### THE PRESS AGENT SAYS:

There was no lack of comedy in the bill, and two of the single entertainers succeeded in drawing forth as much laughter and applause as the players who presented sketches. The best of these was Pete Baker, the German dialect comedian of "Chris and Lena" fame, who made his debut in one of the costumes

## MIX IT AT HOME

Fine Harmless Prescription to Relieve Rheumatism and Kidney Trouble.

The following prescription for the cure of rheumatism and kidney and bladder troubles has no doubt been filled millions of times, viz.: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one-half ounce; Compound Syrup Sarsaparilla, three ounces. These simple, harmless ingredients can be obtained at any good prescription pharmacy at little cost and are mixed by shaking well in a bottle.

The dose for adults is a teaspoonful after each meal and at bedtime, drinking a full tumblerful of water after each dose. It is stated that this prescription is a positive remedy for kidney trouble and lame back, weak bladder and urinary difficulties, especially of the elderly people, and one of the best things to be used in rheumatic affections, relieving the aches and pains and reducing swellings.

A well known authority states that this mixture acts directly upon the eliminative tissues of the kidneys; cleanses these spongelike organs and gives them power to sift and strain the poisonous waste matter and uric acid from the blood which is the cause of all rheumatism.

If your back or sides ache and you suspect kidney trouble it would be wise to try this for a few days.

with which he has been identified in the past, and concluded his act with a musical and linguistic medley in ten different dialects.—Boston Post.

Mr. Baker will be at the Orphan the second half of this week.

"The Man of the Hour" tomorrow night, and Kathryn Osterman in "The Night of the Play" Thursday.

### ACTRESS WHO SUFFERED NERVOUS BREAKDOWN

Boston, Mass., Oct. 20.—Margaret Illington, who for two seasons has been playing a highly emotional role in "The Thief," suffered a nervous breakdown in

Boston and has been forced to temporarily abandon the stage. In private life Miss Illington is Mrs. Daniel Frohman. She was Miss Maude Light, of Bloomington, Ill., and takes the stage name of Illington from a combination of the names of her native state and town.

## CITY COUNCIL

HELD MEETING MONDAY EVENING, TRANSACTING A SMALL AMOUNT OF BUSINESS.

Members of Council, Board of Public Service and Newspaper Men in Lancaster.

The City Council members, the Board of Public Service, and Messrs. H. H. Scott of the American Tribune and Ben Hoover of the Advocate left Tuesday at 12:45 over the Panhandle for Lancaster where they will inspect the Harris Air Pump system now in operation and which is now being considered for installation here as a means of securing naturally filtered water.

The City Council convened Monday evening with all members present. Auditor Maurath reported the receipt of a letter from Mr. Tracy of the office of the state inspector of public works, referring to the \$300 appropriation for the payment of salary of a city librarian, and other incidentals, which was under consideration in the budget, but which Mr. Maurath refused to pay because it was pronounced illegal. Mr. Tracy stated that no money on this appropriation shall be paid in advance, but that if there is no fund a library fund should be created by transferring from some other into a special fund for this purpose. The report was received and filed for future consideration.

The Board of Public Service reported on the paving of the walk on North Fourth street between Charles and Smith streets, and it was referred to the street committee.

Engineer Wells reported on the regular assessments for the paving of Main, Day, Pond, Thirteenth, Eleventh, Woods and Ash streets, fixing the total estimate for the actual cost of the work at \$2,452.46. This figure

did not include advertising, etc. On motion of Fulton, seconded by Irwin, the report was received and filed.

The clerk reported that notice had been served on property holders on Pond and Day streets regarding the paving.

At this juncture Mr. Fulton arose and asked for information regarding his proposed Second street tunnel and subway, which was to have been reported back to council within six months after its introduction. The clerk of the council stated that he had duly referred it to the B. P. S., while Mr. Taylor of that body stated that he had turned it over to Engineer Wells, but the latter stated that he did not remember of its having been referred to him. Mr. Taylor promised to dig it up and have the engineer see what he could find out and report as soon as possible. The six months time is up in November.

Under the head of ordinances came the following:

By Mr. Kuster: An ordinance providing for the transfer of \$1,000 from 4-T-20 to 1-H-6 of the election fund; \$200 from 4-S-3 to 4-M-7 of the Public Service fund, to complete payments on the election booths, clerk hire and the employment of registrars. Disposition: Second and third readings and final passage.

By Mr. Orr: An ordinance providing for the borrowing of money in anticipation of special assessments: \$200 for Day avenue, \$150 for Pond street, to be placed to the credit of the Day and Pond paving fund. Disposition: Passed under suspension of rules.

By Mr. Orr: An ordinance, on first reading, providing for the notification of property holders of special assessments on Main street, from the Racoon creek bridge west to Sixteenth street.

By Mr. Irwin: An ordinance providing for a sewer on North avenue, between East Main street and Indiana. Given first reading.

An ordinance on second reading, accepting a deed for real estate to be given the city for street purposes, was heard.

### RESOLUTIONS.

By Mr. Orr: Declaring it necessary to prepare plans for paving the south side of Main street from the Racoon creek bridge west. Referred to City Engineer.

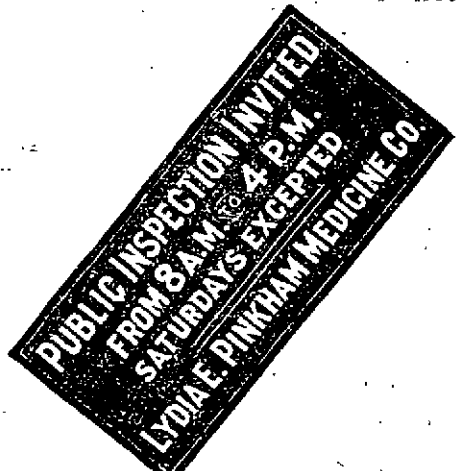

By Mr. Flohr: Declaring it necessary to construct a cement walk in the Evans addition. Referred to the street committee.

By Mr. Flohr: Declaring it necessary to construct a sidewalk on the east side of Fourth street between Charles and Smith streets. Referred to the street committee.

There are some few people who acquire fame and wealth without forgetting their old friends.

As a rule a girl either wears her heart on her sleeve or keeps it in cold storage.

## THE COME AND SEE SIGN

This sign is permanently attached to the front of the main building of the Lydia E. Pinkham Medicine Company, Lynn, Mass.

### What Does This Sign Mean?

It means that public inspection of the Laboratory and methods of doing business is honestly desired. It means that there is nothing about the business which is not "open and above-board."

It means that a permanent invitation is extended to anyone to come and verify any and all statements made in the advertisements of Lydia E. Pinkham's Vegetable Compound. Is it a purely vegetable compound made from roots and herbs—without drugs?

**Come and See.** Do the women of America continually use as much of it as we are told?

**Come and See.** Was there ever such a person as Lydia E. Pinkham, and is there any Mrs. Pinkham now to whom sick women are asked to write?

**Come and See.** Is the vast private correspondence with sick women conducted by women only, and are the letters kept strictly confidential?

**Come and See.** Have they really got letters from over one million, one hundred thousand women correspondents?

**Come and See.** Have they proof that Lydia E. Pinkham's Vegetable Compound has cured thousands of these women?

**Come and See.** This advertisement is only for doubters. The great army of women who know from their own personal experience that no medicine in the world equals Lydia E. Pinkham's Vegetable Compound for female ills will still go on using and being benefited by it; but the poor doubting, suffering woman must, for her own sake, be taught confidence, for she also might just as well regain her health,

## Anty Drudge on Washing in a Flat.

Mrs. Apartment—"It's the hardest thing to get hot water here; you're not supposed to do any washing in the rooms. And when I do get hot water, it takes so long to wash that the rooms get awful smelly."

Anty Drudge—"Why don't you use Fels-Naptha? Then you won't have to use hot water. You will get through with your wash in a jiffy and there'll be no steam to make your rooms offensive."

To women who live in apartments the washing of clothes is a problem. The solution is Fels-Naptha soap.

No need of hot water; no boiler, no washboard. For light washing you don't even need a washtub, because the bathtub or basin will do quite well.

All you require is Fels-Naptha, cool or lukewarm water and a place to dry the clothes.

Say you have a shirtwaist or two, napkins, lingerie and other small things, that you don't have time or don't want to send out to be washed. You can do much better at home in this way:

Wet the clothes, soap well with Fels-Naptha, roll and leave to soak in cool or lukewarm water for a short time. Then rub lightly, rinse and hang up to dry.

Takes but one-fourth the time and one-tenth the work of the old way. Also saves the clothes.

Follow directions on the red and green wrapper.

## Remember That the Public

is not so curious to find out what goods you have in your windows that it will get down on its knees and strike a match. Also the day of fast closed shutters for business places nights and Sundays, is gone forever.

The merchant who has never given much thought to the question of lighting his store windows at night may not fully realize the advantage of doing so, but it is a fact that such a policy is a profitable one.

The turning on and off of window lights is taken care of by us, if you wish, so there is nothing to bother you.

## Dust Means Sickness

The most striking revelation made by the study of germs is the fact that circulating dust is invariably laden with the germs of disease. It is as important to avoid dust as it is to destroy germs. The only safe way to purchase coffee is to buy Climax in sealed dust-proof packages.

## Would That Make Good Coffee?

There is about a day's accumulation of dust upon your parlor table. How much more dust does bulk coffee come in contact with before you buy it?

Roasted coffee is stripped of the outer hull and inner skin, and the pores of the berry, thus left open, absorb all the dust and odors going. Dust and germs are not conducive to good health. Why not buy in the cleanly way, in sealed packages?

## CLIMAX COFFEE

(Never Sold in Bulk)

Is Equal in Original Quality to any Coffee Sold in Bulk at 30c and is Absolutely Clean. It is roasted with the most scrupulous cleanliness and packed in air-tight, dust-proof sealed packages.

### "The Aroma That Makes You Hungry"

If you try Climax you will use Climax right along. Therefore we offer you a most liberal inducement. Each package contains a

## OHIO BAPTIST ANNIVERSARY

HUNDREDS OF DELEGATES FROM ALL OVER STATE REPORT AT HEADQUARTERS.

Splendid Address of Dr. C. R. Henderson on "Duties of Christian Citizenship."

Delegates continue to flock into the city in attendance on the Ohio Baptist anniversary and convention, which is now in progress at the Fifth Street Baptist church. The Sherwood hotel, which is the business headquarters of the convention officers, is taxed almost to capacity with the delegates and visitors, while fully 300 are being cared for in private homes of members of the denomination both here and in Granville.

The Fifth Street church was crowded to the doors Monday night to hear Prof. C. R. Henderson, D. D., professor of sociology in Chicago university on the comprehensive subject, "Duties of Christian Citizens." Dr. Henderson is a most able speaker and is thoroughly informed on all branches of sociology, as was evident in his address on Monday night. He spoke in detail on the relationship of the church to citizens at large; to labor, to capital, to all humanity in every walk of life. He discussed the social question from the side of the home, the shop and factory and the store, coming to the dramatic conclusion that the church is the binding tie between all and forms a plane upon which all classes of society can unite in the one common cause of good. His address showed plainly the conservatism and fairness which has always been a distinctive feature of this man's decisions when he has been called into consultation, time and again, when disputes on the labor question were to be settled. He has in more than one instance led in the settlement of strikes which would ultimately have proved ruinous to certain branches of the trades had they continued. This fact illustrates the power of his convictions and the generally conceded importance of his decisions, as well as the fairness of his judgment. In his address he dealt with the church position in a plain, practical and philosophical manner, illustrating his point with a nicely only possessed by the skilled orator and scholar.

The music of the evening, furnished by the regular choir of 30 trained voices, under the direction of Prof. Walter W. Flory, elicited great praise from the entire company of delegates and friends.

The program form was observed strictly in the Tuesday session of the big convention. The opening service was begun promptly at 8:30 by the Rev. H. B. Hillier of Hamilton, O., and was followed by the greeting of the pastor and church by the Rev. Joseph A. Bennett. The response was eloquently delivered by the Hon. Charles H. Lewis of Toledo. Mr. Lewis is one of the foremost workers in the state in behalf of his denomination. He is at present the guest of President Hunt of Denison, his former pastor in Toledo. Mr. Lewis was recently appointed second vice president of the Toledo and Ohio Central Railway company, and in that capacity is constantly pressed with great duties. Nevertheless his efforts in behalf of the denomination are as earnest as ever.

The report of the Church Edifice committee by Dr. G. E. Leonard of Norwalk, secretary of the Church Edifice department, showed a large amount of work that had been done in adding the construction of church buildings for the weak churches of the state.

This was followed by the report of the Board of the convention, read by the Rev. C. J. Rose of Granville, which recounted the missionary work done in aiding weak Baptist churches in new and important communities. The work done among foreign populations and the special work of evangelization was emphasized.

The following committees were announced:

Enrollment—Rev. O. L. Martin-Ja-

### HOUSEHOLD ECONOMY

How to Save \$2 on Cough Medicine by Making It at Home.

Cough medicines, as a rule, are mostly sugar. You can take a pint of Granulated sugar, add half cup of water, stir and let boil just a moment. Then add a pint of syrup as good as you could buy. Get 2½ ounces of Pinex, put in a clean pint bottle and fill up with the Granulated Sugar Syrup. The Granulated Sugar costs 4 cents, and the Pinex 50 cents. The recipe makes a full pint of excellent cough syrup, which keeps indefinitely at a cost of about 4 cents. You couldn't buy as much ready-made cough syrup for \$2.50. This shows a clear saving of about \$2.

This home-made remedy will stop an obstinate, deep-seated cough quickly—usually in 24 hours. It is also splendid for colds, whooping cough, pains in the chest, bronchial troubles and similar ailments. Dose, one teaspoonful every one, two or three hours as required. The taste is very pleasant.

The effectiveness of this remedy is easily understood. The Syrup is an excellent sedative. The Pinex is the most valuable concentrated compound of Norway White Pine Extract, and contains all the natural elements which make the air of the pine forests so effective in curing tuberculosis. There are many pine tar and pine oil preparations, but in making cough syrup on this recipe be sure to use the real Pinex. Heat! Your druggist has it, or will gladly get it for you.

## A Talk On An Oily Subject

Some interesting, inside facts, not generally known.

"PURE" is usually supposed to denote the highest quality of OLIVE OIL, but such is by no means always true. Without exception the Olive Oil imported here is the second and more often the third pressing, which though pure, is very much inferior to the first pressing.

The best article obtainable in this market is the California product THE S. M. L. BRAND. This oil is obtained entirely from the first pressing of the fruit, and is not only strictly pure, but of the very highest medicinal quality and also very palatable.

We supply this at the price usually charged for ordinary grades, and will be pleased to have it compared with any other product.

## CHAPTER XXI

KARL entered the reception room and stood for an instant, looking at Olga. He showed that he, too, had suffered during the night. His face was white and drawn. When he saw Olga standing there a minute status of despair he was filled with pity for her and self abasement. He stepped quickly to her side, caught her hands and kissed them passionately.

"I ought to go down on my knees and beg your pardon for my conduct last night, Olga," he said.

She turned to him quickly, yielding her hands to him, leaning toward him, speaking eagerly.

"Speak very low. He is in there," she said, pointing to the ante-room where Millar was biding. "Let us be brief, Karl. I have been very foolish, but I could not control myself. After what happened I wanted to know. I wanted to feel that you loved me as I thought you did, as I hoped you did day and night, every minute."

"Olga!" he exclaimed rapturously. He was not prepared for this. He feared that he had offended her, and her impulsive declaration swept him from his feet. He watched her face eagerly, hungrily, as she went on, talking very rapidly and making no effort to disengage her hands, which he held clasped to his breast.

"Everything has changed since yesterday, Karl. But let us try to repeat what we said then. Let us shake hands honorably. Let us try to be strong and keep our promises, as I have kept them so long. Karl, if I have been bold and frivolous it was only because I wanted to know what you thought of me; nothing else. But I am afraid I have been punished too much."

Her passion swept her along as she was swayed alternately by love of Karl and the sinner impulse to flee from him. But the sweetness of knowing that she was loved, feeling her hands clasped in his, after all her years of self repression broke down her resolution.

"I fear it is too late, Karl. My strength is gone. My will is lost. We have gone back six years. Karl, I love you."

The last words she whispered with infinite tenderness, and her head fell on his breast. Hysterically he clasped each other in their arms and, half laughing, half sobbing, looked into each other's eyes. Karl leaned over her, murmuring his love and kissing her eyes and hair.

"Be careful! he is in there," Olga warned him finally, again pointing at the door behind which their evil spirit lurked. Then she whispered shyly: "Did my letter surprise you?"

"Letter?" Karl asked, astonished. "What letter, dear heart?"

"Karl, I understand you wish to be discreet," Olga said reproachfully, "but it is my first letter, and I am not ashamed. Let us be honest. I am not afraid. I love you. When I wrote that letter I hardly knew what I was doing, and I must confess I felt ashamed at first. But I am no longer ashamed now; I am proud. Sometimes women do not write what they want, Karl, but they always want what they write. Karl, I would like to read that letter over again in your arms."

That letter meant much to Olga. It was her only love letter. She had never written to Karl before except in the conventional boy and girl fashion, when she did not know how to express love. Her correspondence with Herman had always been of the most perfunctory sort. Never before had she poured out her soul as she did in this letter. Now she wanted to see what she had written, to read it over with the man for whom it was intended.

It was with a shock of pain that she beheld Karl's indifference, and she was amazed when he added: "I received no letter from you, Olga."

"What! How can you say so? Was not a letter delivered to you this morning?"

"I assure you that I did not receive any letter from you," Karl said earnestly.

The blazon of Millar's trick was like a blow in the face of Olga. She saw now how he had deliberately lied to her in order that she would certainly repeat her confession of love to Karl. In what a bold, forward, dishonest attitude she had been placed! Her first impulse was of anger, and she ran toward the ante-room.

"Doctor! Dr. Millar!" she called wildly.

The door opened noiselessly, and Millar stood bowing on the threshold. "My—my letter?" Olga stammered.

"Madame, I beg a thousand pardons," Millar said suavely. "My only excuse is that some letters are better undelivered."

He drew from the inner pocket of his coat a letter and, with a smile and a sweeping bow, handed it to Karl.

"However, I can now make reparation," he said.

Karl took the letter, looking wonderingly from Olga to Millar. He held it in his hand and was about to open it when Olga cried: "Karl, tear the letter up!"

Karl instantly obeyed her, tearing

the envelope into small pieces.

"Now burn it," Olga said.

He turned up to the fireplace and threw the bits of paper on the glowing coals. They started up in a little flame and were quickly reduced to ashes.

## CHAPTER XXII

OLGA was terrified at the trick Millar had played upon her and at its results. She looked in fear from him to Karl.

"Who is this man?" she asked.

Karl could not answer her. The same question was echoing in his heart.

Who was this man, this personification of evil? Ever there were his insidious wiles to compromise, cajole, trick and betray them. He could not tell. He only knew that he loathed him and that he would drive him out.

"Are you going now?" he demanded as Millar stood looking at them, with his evil smile.

Millar took the question in the most natural way, disregarding the purposely offensive tone in which Karl spoke.

"Yes, I am; I must," he said half regretfully. "My train leaves in half an hour. Again permit me to beg a thousand pardons. Could I have foreseen the anguish that was to follow my failure to deliver Madame's letter nothing in the world could have."

Karl interrupted him rudely, determined that he should not beguile them again and that he should not speak of Olga or the letter as a thing of importance.

"You should know that the letter contained only a conventional message," he said.

Millar looked at Olga, and his smile grew broad as she hung her head and blushed. Who should know better than he the confession which she had written and which was now destroyed?

"It was quite conventional, I am sure," he said cynically.

"You will miss your train," Karl said, with studied insolence. "Heinrich, help the doctor on with his coat."

"A thousand thanks," the imperturbable Millar said. "Madame, goodbye, and once more I beg a thousand pardons."

Neither Olga nor Karl spoke to him as he walked to the door, looked back at them, bowed low again and chuckled as the door closed after him.

Olga turned quickly to Karl and held out her hands.

"He is gone. I am glad. But, Karl, I would give a year of my life if he had delivered my letter to you."

"Why? Tell me what you wrote," he asked eagerly.

"I wrote all the things I told you a few moments ago, Karl. You know it all now."

She went over to the grate and looked sadly into the ashes.

"My first love letter," she said softly. "Oh, Karl, it was my confession of my love for you. I would like to read it over again with you, and then we might forget. I don't want to be afraid. I want to be strong, to be happy. If I only had that letter now!"

Karl took her hands in his and comforted her.

"Never mind it, Olga. It has served its purpose. It has taught us ourselves, our hearts."

"It has taught us that we must be strong, brave and loyal," Olga declared warmly.

They stood thus, looking into each other's eyes sanely, clearly, each ready to renounce. The door of the studio opened, and Millar stood before them again, holding in his extended hand a letter.

"I beg a thousand pardons again," he said. "I find I gave Karl an old tailor's bill instead of Madame's letter."

Olga eagerly took the letter, opened it and recognized her own handwriting.

"My letter, Karl," she exclaimed.

Both bent over the letter, reading it eagerly, while Millar slipped quietly out of the studio—out of their lives. Olga looked up from their reading.

"I am glad that I wrote it," Karl said. "Now we will burn it."

Together they watched it glow brightly into flame and fall into gray ashes.

"That is our love begun and ended," Olga said quietly. "It was wrong, and now we realize it, don't we? And now, dear boy, you are coming with me."

"Where?" Karl asked.

"I am going to take you to Eliza," Olga answered.

With a feeling of elation Karl called Heinrich and was helped into his overcoat. He bent respectfully and kissed Olga's hand as they walked out of the studio together.

## THE END

You can't fail unless you take a chance, and you can succeed on no other terms.

Don't depend upon your best friend and never mind your worst enemy. Chances are even with all the rest.

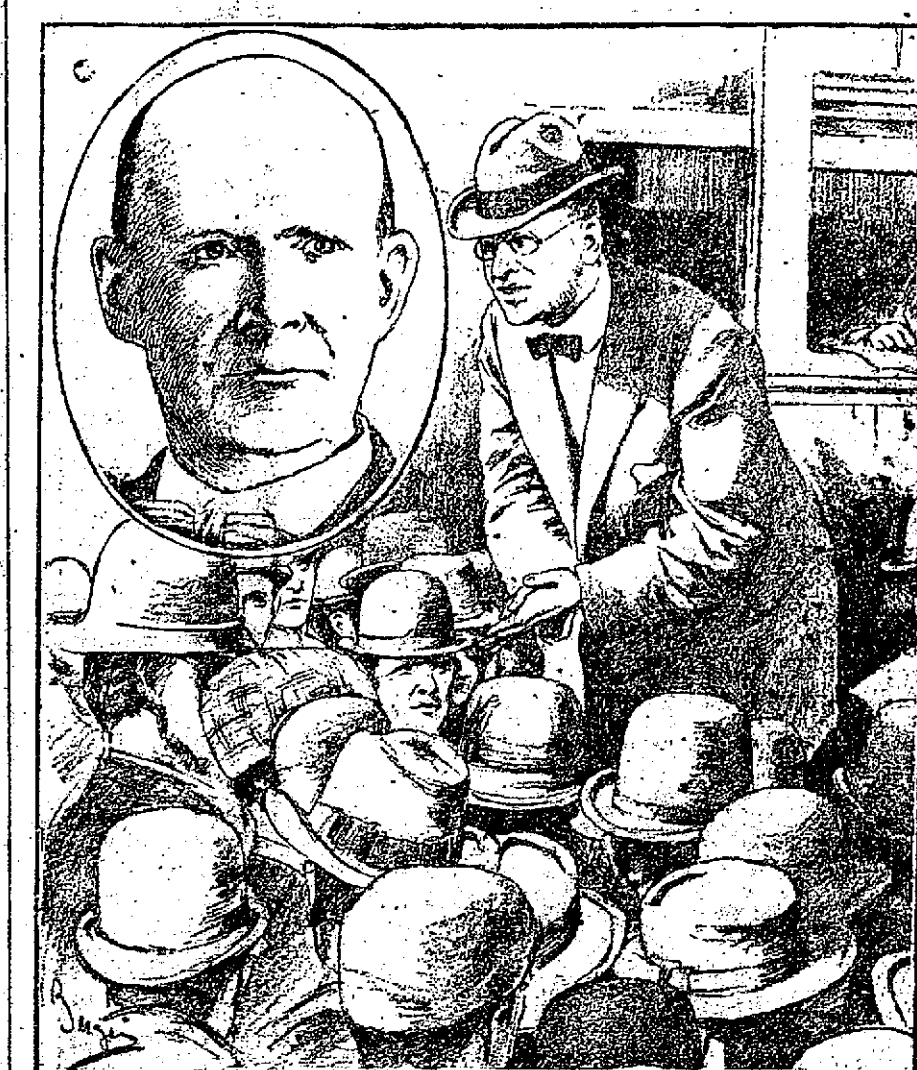

The man who never knows when he is turned down does not waste any energy in cobbling up and so is eventually irresistible.

## "RED SPECIAL"

VISITED NEWARK MONDAY EVENING AND DREW LARGE AUDIENCE.

Mr. Debs Could Hardly Talk, as He Was Very Hoarse—Cost of the Special Paid by Workmen.

Eugene V. Debs, the Socialist candidate for president, and his Red Special train stopped in Newark Monday night for a few moments, and several hundred men and women were addressed on the principles of the party that Debs is heading. The train, which was due in Newark at 5:15 o'clock over the B. and O. from Wheeling, was about ten minutes late and by the time the special had

EUGENE V. DEBS, ADDRESSING A CROWD BEFORE HIS "RED SPECIAL."

backed into the west track at the depot, fully 800 interested and curious people had gathered to hear Debs speak.

A band and red fire and the cheers of the Socialists in the crowd, welcomed Debs to Newark, but the crowd was badly disappointed for instead of Debs appearing in answer to the cheers of the crowd, Caldwell, of Dayton, a Socialist, appeared, and mounting a truck on the depot platform, he spoke for several minutes. Seymour Stegman, of Chicago, a lawyer and Socialist lecturer, was then introduced and talked for some time on the principles of the party.

Finally announcing that a collection would be taken before Mr. Debs would speak, hats were passed.

GET RID OF THE GAS

THIS OHIO MAN FOUND IT CAUSED GREAT DISTRESS.

A Case of Stomach Trouble, Complicated with Rheumatism, That the Tonic Treatment Cured.

When the stomach is feeble the food lies in it undigested, decays and throws off poisonous gases that distend the walls of the stomach, and cause interference with other organs, especially with the action of the heart and lungs. These gases have other ill effects. They are absorbed by the blood, and corrupt it and cause aches in remote parts of the body and the formation of unhealthy tissue everywhere. General body weakness and loss of weight result. The nerves and the brain are disturbed and discomforts such as dizziness, hot flashes, sleeplessness, irritability and despondency originate from this source.

Experience shows that these troubles vanish just as soon as the stomach is made strong enough to digest the food. In other words, it needs a tonic that will cause it to do the work of changing the food into nourishment. The tonic must be able to burn out the gases that will build up the most delicate stomach.

Mr. O. C. Cline, a farmer, at Berlin Center, Ohio, was cured of an obstinate case of stomach trouble, which he describes as follows:

"I think my stomach trouble was brought on by the many cold meals I ate when a teacher. My stomach was so weak that I had no appetite and I would vomit after eating. My stomach would be all with gas and pain me after every meal. I had palpitation of the heart and was short of breath if I exerted myself. I also suffered with rheumatism. The joints in my arms would get sore and stiff and at times I was unable to work."

"I was under doctors' care more or less of the time and was ailing for fifteen years. They were unable to cure me. Through reading the papers I decided to try Dr. Williams' Pink Pills. It wasn't long before I saw that the rheumatism was not so bad and that I could eat without so much distress. As this was the first relief I had ever received I kept on taking the pills until cured. I now feel better than at any time in my life."

Dr. Williams' Pink Pills are sold by all druggists, or sent by mail, post paid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y. Send today for free diet book.

around in the audience for contributions. Debs himself finally appeared, but his voice was gone, and only those close to the platform of the train could hear what he had to say. He talked on the doctrines of the party that he heads, and he severely arraigned both the Democratic and Republican parties, saying they were the parties of the capitalists.

"The revolutionary proposition put forward by the Socialist party is not much of a dream," declared Mr. Debs. "What we propose is a change of ownership. Those who own the machines and mines today fare very well. We propose that the organized industries are operated for use and not for profit, production will be greatly increased and an abundance of all good things will be for those who work, and they need not linger long or painfully."

The Socialist campaign train has

run more than 15,000 miles. It will go to election day, 250,000 workers having contributed to make this campaign possible. Most of the \$25,000 so far collected has been in dimes and nickels, 47,000 different coins having been collected on the western trip. It is said that money to complete the trip has been borrowed, and about \$5,000 remains to be raised.

PAVING BRICKS

Contractors Who Are Relaying Bricks On Hudson Avenue, Tell Value of Different Makes.

In the relaying of the bricks of the pavement on Hudson avenue, a curious condition of the old bricks pointed out to an Adviser, by Mr. Hall-Nutter, whose firm, Brennan & Nutter, is engaged in relaying the bricks. Mr. Nutter says:

"At the time that the original pavement was laid, the art of brick making for street paving was not as complete as now, and many firms were in the business of making the best bricks possible with the limited knowledge that they had gathered. On the Hudson street paving, several different colors and degrees of vitrification of brick were furnished by different makers, and among the lot, a brick was delivered that was much better and apparently much softer than other specimens of brick. This white brick was the occasion of a strenuous kick by the inspectors that were on the contract and not many of them were allowed to be put in the pavement."

"The manufacturer was called before the council and made an explanation as to the quality of all the brick furnished, claiming that his white brick, on account of material used, were the superior, and would outlast anything that had yet been offered to the city, but appearances were against the white brick, and they were not used afterward to any great extent."

Why James Lee Got Well.

Every body in Zanerstown, O., knows Mrs. Mary Lee, of Rural Route 8. She writes: "My husband, James Lee, firmly believes he owes his life to the use of Dr. King's New Discovery. His lungs were so severely affected that consumption seemed inevitable, when a friend recommended New Discovery. We tried it, and its use has restored him to perfect health."

Dr. King's New Discovery is the King of throat and lung remedies. For coughs and colds it has no equal. The first dose gives relief. Try it! Sold under guarantee at F. D. Hall's drug store. 50c. and \$1.00. Trial bottle free.

## MUSHROOMS

Not Plentiful This Fall—Still Several Species May Be Found That Are Edible.

The lover of fungi that is only acquainted with the common meadow mushroom is getting sadly left these fine autumn days. The lack of moisture has been against the fruition of the mycelium, of which the mushroom is the fruit, but other mushrooms are in abundance, which have for their habitat places that are naturally moist.

We refer to the "shaggy" mane and its allied species, which are not only plenty at present, but are far more delicious than the meadow mushroom that is so anxiously watched for by those that enjoy the fungi for their edible qualities.

Did you ever see a lot of fungi in a lawn or closely cropped pasture that looked like a lot of goose eggs standing up on end and covered with shaggy patches? And of course you passed them by. If you did, you just neglected to gather a mess fit for the table of any epicure. Broiled or fried in butter, such a dish will make one who just got within smelling distance of this fungi while it was being prepared, sorry for at least a week. These mushrooms grow frequently in the spring and early summer if the conditions are propitious. The markings on this species are so distinct from any other known edible or even poisonous species, that even the type in the gathering of fungi cannot possibly be mistaken. A short description of the species, though, will no doubt help.

In the vernacular, it is called "Shaggy Mane," on account of the shaggy patches of hair-like appearance with which it is covered.

The cap never expands, the crowded gills are equal in length, and in the first stages are of creamy whiteness. The gills pass through several stages before becoming black and undulating, but at the white stage, pink and sepia stage, unless infested with parasites, the mushroom is edible, but always use, if possible, in the freshest condition. The amateur fungoist is hardly fitted to judge the condition with accuracy of fungus, but may be a trifle old, and many a case of so-called poisoning is only a case of eating true mushrooms that were out of the species. The stem is hollow, and is loosely fitted to the top of the well defined socket, and for a further well marked feature, that the mushroom possesses, the stem has its hollow a fine thread that occurs in no other species. The author considers it a fine old bit of mushroom lore.

In frequent company with the above described mushroom is an allied species, commonly known as the "Pinky," but of the wise ones "Corporation" is the name.

The surface of the gills is the color of the Quaker drab, it is not pretty, but very good to eat. It is smooth on the surface, with the stem in the cap the same as in the "Shaggy Mane," but this mushroom is more apt to grow in clusters, so thick, that while they would ordinarily be of the usual conformation, the individuals often are malformed on account of the pressure of their neighbors. This fungi is as good as any that are indigenous to this vicinity, and are to be found in and near houses where the sun does not shine directly.

Look around your house, for you may find a mess of this very fine fungi. It is also found near and in old stumps, where horses have been fed, or in newly disturbed rich soil.

All the fungi that grow on wood are non-poisonous, but many from their toughness, are not edible. The woods now about with growths of some very fine fungi, and specimens should be brought in when met with and be left with experts to be diagnosed, for the growths are of many shapes and are not too well known generally, and if interest is taken to identify the species that may be found, it may redound to the food supply of the future.

## Welsbach

Reflex Inverted Gas Lights. Throws the light down where you want it.

The Latest Improvement in gas lighting. Renders a soft mellow light, pleasant and restful to the eyes.

Artistic and beautiful light for drawing rooms, dining rooms and reception halls.

Color combinations to harmonize with any room may be obtained.

Costs less than one third of one cent per hour for gas.

There is nothing better than a welsbach light.

To appreciate these new gas lights, you should see our display.

### KIRKERSVILLE HOME COMING ON SATURDAY

UNVEILING OF MONUMENT WILL  
TAKE PLACE AT TWO  
O'CLOCK.

Free Dinner in I. O. O. F. Hall—The  
Festivities Will End With a  
Ball Game.

Kirkersville is making elaborate  
preparations for her home coming  
and unveiling of the soldiers' monu-  
ment Saturday, Oct. 21.

A splendid program is announced  
and the committee on arrangements  
hopes for a large attendance. The  
program follows:

Address on Home Coming at 10 a.  
m., by Prof. Williams of Granville.  
Unveiling of the Monument at 2 p.  
m. Speakers, General Warnick, Col.  
W. L. Curry, Capt. James Kirkendall,  
of Columbus.

Music by the Columbus Dispatch  
Newsboy Brass Band (50 pieces.)

The Old Guards of Columbus, with  
their Drum Corps, will be in line.

Everybody is cordially invited to  
attend, shake hands with their old  
friends whom they haven't seen for  
years, and get acquainted with new  
ones and see the old cannon that was  
in service in the civil war 45 years  
ago, now mounted upon a cement  
pillar 17 feet high, in memory of the  
fallen heroes.

Free dinner will be served in the  
I. O. O. F. hall. The day's festi-  
vities will close with a baseball game.

Square

## MEYER & LINDORF

NEWARK,  
OHIO.

### WONDERFUL NEW LEATHER

After years of experimenting Endicott-Johnson Co., the largest tanners and shoe makers in the world, have just perfected a process of tanning by which a new kind of sole leather is made that will outwear two or more ordinary soles.

This new leather, which is called *Kromsk*, is the greatest achievement of the century in shoe making.

Since the first leather shoe was made, up to the present time, it has been found impossible to provide suitable and substantial material for the sole that would make this part of the shoe equal the wear of the upper, the average upper often proving equal to two or three soles.

In recent years of highly developed genius along special lines many attempts have been made to solve this baffling problem without success.

In the solution of this problem Endicott-Johnson Co. have perfected a leather that not only meets the demand for longer wear, but a leather that is better and more serviceable in many ways.

*Kromsk* is lighter in weight and more flexible than ordinary leather and resists both heat and water to the fullest extent.

It makes a new era in shoe making which bids fair to revolutionize the industry.

### HIDE TO WEARER

### ENDWELL NEW SHOE FOR MEN

#### A Better Shoe for Less Money

You get from 50 cents to \$1.00 more value in ENDWELL shoes than in any others sold at the same price—\$3.00, \$3.50, \$4.00. Facts that anyone can understand prove this.

Made by ENDICOTT-JOHNSON CO.

This is the largest and most complete organization in the world for the production and distribution of shoes. It follows that Endicott factories lead in all the facilities for producing quality, style, fit and everything desirable in a shoe.

In addition, this company is the first and only shoe house in the world to make shoes direct from raw material (green hides) and place them in your local store, less all middlemen's profits.

Strong reasons why your next pair shall be ENDWELL.

SOLD BY THE SAMPLE Henry Beckman

### ROUSING MEETING

HELD BY THE BRYAN AND  
KERN CLUB MONDAY  
EVENING.

Arrangements Made to Attend Bryan  
Meeting in a Body Wednes-  
day Morning.

One of the largest and most en-  
thusiastic meetings of the Bryan and  
Kern club of Newark that has been  
held since its organization was that  
of Monday night. There was a large  
representation of the club, while  
many Democrats who have not had  
an opportunity of becoming mem-  
bers were also present.

In the absence of the president,  
Mr. W. H. Anderson Jr., the meeting  
was presided over by the first vice  
president, Mr. Will H. Miles.

The matter of attending the big  
Bryan meeting Wednesday morning  
was discussed, and it was resolved  
that all members of the club meet  
at the club headquarters at 7:30  
o'clock and march in a body to the  
Baltimore and Ohio depot.

Mr. L. V. Sargent, president of the  
Demolition University Harmon club,  
who was present at the meeting, im-  
parted the pleasing information that  
the students of the university were  
coming down to the city Wednesday  
morning very strong to hear the  
"Peerless One." He said that the  
faculty of the university had granted  
the students a half holiday in order  
that they might come down to the  
city and hear Bryan, something that  
never occurred before in the history  
of the college. He said that arrange-  
ments had been made to run special  
cars and that the young ladies and  
members of the Demolition Harmon  
club would come down to the city  
in force with bells on. It is ex-  
pected that fully 300 students, boys  
and girls, will attend the meeting,  
and the citizens of Granville will al-  
so ask for special cars. Badges will  
be provided by the Harmon club of  
Granville.

The principal address of the evening  
was made by Attorney J. A.  
Flory, who discussed the issues of  
the campaign very thoroughly and in  
a very convincing manner. He was  
followed by Archie Dav's and Mr. J.  
M. Farmer, candidate for recorder,  
both of whom delivered excellent ad-  
dresses. The next meeting will be  
held next Monday evening at 7:30  
o'clock.

TER." STEPHAN'S DEPT. STORE.

### RESIGNATION IS ACCEPTED

PROF. NEUSBAUM RELEASED  
FROM CONTRACT WITH  
SCHOOL BOARD.

Proposition Submitted to Erect Fire  
Escape at New High School  
Building is Considered.

The resignation of Prof. Neusbaum,  
teacher of music in the public schools,  
was accepted by the Board of Educa-  
tion at its regular session held Monday  
night. There are several applicants for  
the position, but the board did not elect  
a successor to Mr. Neusbaum and will not

do so for a while yet. His contract with  
the board will expire the last of the  
present month.

With the exception of Mr. Conrad, all  
the members were present, and after the  
usual routine business had been trans-  
acted, the resignation of Mr. Neusbaum  
was discussed at some length, the teach-  
er himself being present to present his  
plea for his release from his contract.

The matter of selecting an engineer to  
have charge of the heating apparatus in  
the High school was discussed, but no  
action was taken until the board defu-  
tely learns just what force of assistants  
will be necessary and the amount of  
work that will have to be done.

Mr. George D. Lane submitted a propo-  
sition to the board to construct a fire  
escape at the new High school building  
for the sum of \$300. The proposition was  
discussed and referred to the building  
committee with full power to act in the  
matter. Miss Kirby, principal of the  
West building, made application to the  
board for some new furniture for the  
office. This will include a new holoem  
and couch to be used in case of illness  
of any of the children. Her request was  
referred to the supply committee which  
was given power to act in the matter.

### ENTHUSIASTIC

Were Democratic Meetings Held in  
Licking and McKean—Bryan  
and Kern Clubs Formed.

One of the largest and most inter-  
esting Democratic meetings of the  
campaign was held at Jackson town  
on Saturday evening in the beautiful  
township house. Attorney P. B.  
Smythe and Judge E. M. P. Brister  
were the speakers of the evening.  
The large hall was comfortably filled  
with an audience of representative  
Democrats and quite a sprinkling of  
Republicans. Before the speaking  
began Mr. Allen Crow, son of Squire  
L. E. Crow, favored the audience  
with a fine piano solo. Mr. John  
Orr was chosen as chairman of the  
meeting. At the conclusion of the  
splendid addresses, which were at-  
tenuated by listening to throughout and  
elicited much applause, a Licking  
township Bryan and Kern club was  
organized, with the following offi-  
cers: President, Allen W. Franks;  
vice president, George L. Swartz;  
secretary, Samuel E. Swartz. A good  
report may be expected from this  
township at the coming election.

A well attended and very enthu-  
siastic Democratic meeting was held  
at Fredonia on Monday evening in  
the township hall. L. D. Gosnell was  
chairman of the evening, and the  
first speaker of the evening was Ed.  
M. Larson, Democratic candidate  
for clerk of the court, who made a  
brief and pleasing address which was  
attenuated by listening to from beginning  
to end. Judge E. M. P. Brister was  
the next speaker, and he discussed  
the various issues of the campaign in  
a convincing manner and in a man-  
ner that carried weight with it. At  
the conclusion of the speaking a Mc-  
Kean township Bryan and Kern club  
was organized, with the following offi-  
cers: President, L. D. Gosnell; vice  
president, Edward Hoskinson; secre-  
tary, Harvey Pierson. The club ad-  
journd to meet Saturday evening.

### CHRISTIAN SCIENCE LECTURE OCT. 22

In accordance with its custom of hav-  
ing an annual lecture, First Church of  
Christ, Scientist, is offering the public an  
opportunity to hear the facts about  
Christian Science from one who speaks  
authoritatively on this subject. Mr.  
E. K. Young, F. S. D., of Chicago, a  
member of the Christian Science Board

of Lectureship of the First Church of  
Christ, Scientist, in Boston, Mass.

Christian Science is beneficent in its  
ministry and has brought blessings to  
thousands of homes, healing the sick as  
well as the suffering, and awakening to  
more spiritual modes of life. It is not  
hypnotism, suggestion or any similar  
activity of the human will or mind, but  
is wholly spiritual in its nature and op-  
eration. The lecture will be delivered in  
the new High school auditorium Thurs-  
day evening, October 22, at 8 o'clock. Ad-  
mission free.

She Likes Good Things.  
Mrs. Charles E. Smith of West  
Franklin, Maine, says: "I like good  
things and have adopted Dr. King's  
New Life Pills as our family laxative  
medicine, because they are good and  
do their work without making a fuss  
about it." These painless purifiers  
sold at F. D. Hall's drug store, 25c.

"STAR BRAND SHOES ARE BET-  
TER." STEPHAN'S DEPT. STORE.

NOTICE.  
I will not be responsible for any  
debts contracted by my wife, Mrs.  
Emma Jones, after this date. Har-  
vey Jones.  
Oct. 15, 1908. 19031x
